

Out of catchment waiting list 2023

The out of catchment waiting list will open from 3pm Wednesday 20 April 2022

Due to the enrolment management plan, the school opens its waiting list for children wishing to enter Prep in Term 2. Children eligible for Prep in 2023 must be born between 1 July 2017 and 30 June 2018.

Waiting list applications for out of catchment enrolments should be lodged by email only to enrolments@ithacacreekss.eq.edu.au.

Families living in our catchment area will be guaranteed an offer of Prep enrolment. Siblings of children currently enrolled at Ithaca Creek State School will also be guaranteed an offer of Prep enrolment (this includes out of catchment siblings).

Enrolment offers for out of catchment places will be made in Term 4 if school capacity permits.
