### Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Head of Pedagogy modelling and coaching for best practice in the teaching of writing
- Lead the teachers in their cohort teams during FIRE (professional development) Time to higher levels of understanding and pedagogical practice focussed on the teaching of writing and the continued effective use of data analysis to inform
- Provide appropriately differentiated teaching-learning programs to operate beyond their year level expectations

### Our school initiatives are showing substantial progress toward our targets
