

## Ithaca Creek SS Learning Difficulties Support Group

Getting your child through school can sometimes be a challenge, when they have learning or emotional difficulties, it can feel impossible.

It's vital to be able to connect with other parents/caregivers who are sharing a similar experience, or who have been through it, and are almost out the other side.

The ICSS Learning Difficulties Support Group is here for you, and ready to provide a chance to get together with other parents/caregivers at our meetings, or provide individual support. Learn what's worked for some parents, what hasn't, where to find a good speech pathologist, and just talk to others who understand what you're going through.

Email the group co-ordinator, Terri Bainbridge (Mum to an awesome son with dyslexia) and Margi Graham, the school's Manager, Student Services at [parentsupportlearningdifficulties@ithacacreekss.eq.edu.au](mailto:parentsupportlearningdifficulties@ithacacreekss.eq.edu.au) to find out more, or ask any questions you may have.

Email us to be added to our contact list, and you'll be sent information on meetings, events and other useful material. The group usually meets once a term.

**You don't have to have a specific diagnosis, if you are worried things don't seem right come along and have a chat, or email us.**

If you'd like to have a chat with Terri, the group co-ordinator, outside of our meetings, please email her at [terri.bainbridge@tactave.com](mailto:terri.bainbridge@tactave.com) to arrange a time.
