## **Your skills are a valuable resource!**

Hi parents, caregivers, extended family and friends,

We're all busy people and we all have to choose where we'll spend our time. Every one of our volunteers has weighed up the benefits of donating their time and found that the rewards far outweigh the costs. Each hour you spend at tuck shop or clothing pool, helping at a social function, supervising sport or in the classroom, builds and strengthens our school community. That school community strengthens and builds our kids. Help us to help our kids.

### **All help is appreciated!!**

If classroom help is your thing – look out for notes from your classroom teachers. Sign up for excursions, helping with reading, maths, science, writing, art, cutting, pasting... Ask your teacher if there's something they'd like help with!

Are you an artist, cartoonist, musician, actor, thespian, auctioneer, cook, computer technician, IT specialist, graphic designer, human resources manager, accountant, scientist, lab technician...?

Do you have connections with businesses or organisations who might like to support the school? Can you organise for donation of raffles? We can use you! Just fill in the table on the next page.

If you have expertise and are willing to give time to school initiatives in your area; for example, information technology, journalism or writing, graphic design, human resources, compliance etc, please give us your details.

### **Don't know when you can come? Want to work from home?**

Just complete your name and contact details on the volunteer form and we'll give you a call and see if you can help out. We've got things you can do at home in your own time.

Take an active part in school life.

Help share the load – when everyone does a little bit we all achieve so much more.

With thanks

**Ithaca Creek State School P&C**
