

Investing for Success

Under this agreement for 2018
Ithaca Creek State School will receive

\$146 622

This funding will be used to

- Increase the number of students meeting *End of Year 2 Reading Targets* \geq PM Level 26 to 80%
- Ensure 100% of students are reading \geq PM Level 22 by the end of Year 2
- Deliver intensive intervention to any student not reading Level 22 PM Reading by the end of Year 2
- Deliver precise and effective feedback to students on 'next steps' so that 100% of students are achieving \geq C standard on summative English assessment tasks
- Deepen critical and creative thinking and ethical understanding instruction in every year level
- Provide resources for teachers to deliver with integrity the Australian Curriculum

Our initiatives include

- *Targeted reading intervention* for 'at risk' readers
- Refining a whole school *Teaching of Reading* approach
- Developing a whole school approach to *Feedback* to students within units of work
- Delivering *Philosophy in the Classroom* across the school
- Developing *Teachers as Leaders* of learning and improvement

Research Base;

Socrates in the schools: Gains at three-year follow-up- 2015 Fair, Hass et.al.

Visible Learning for Literacy – 2016 Fisher, Frey and Hattie

Explicit Instruction: Effective and Efficient Teaching – 2011

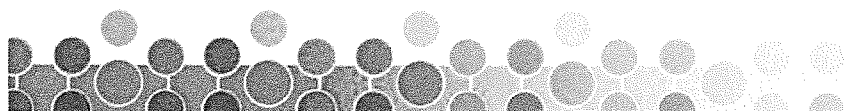

Our school will improve student outcomes by
